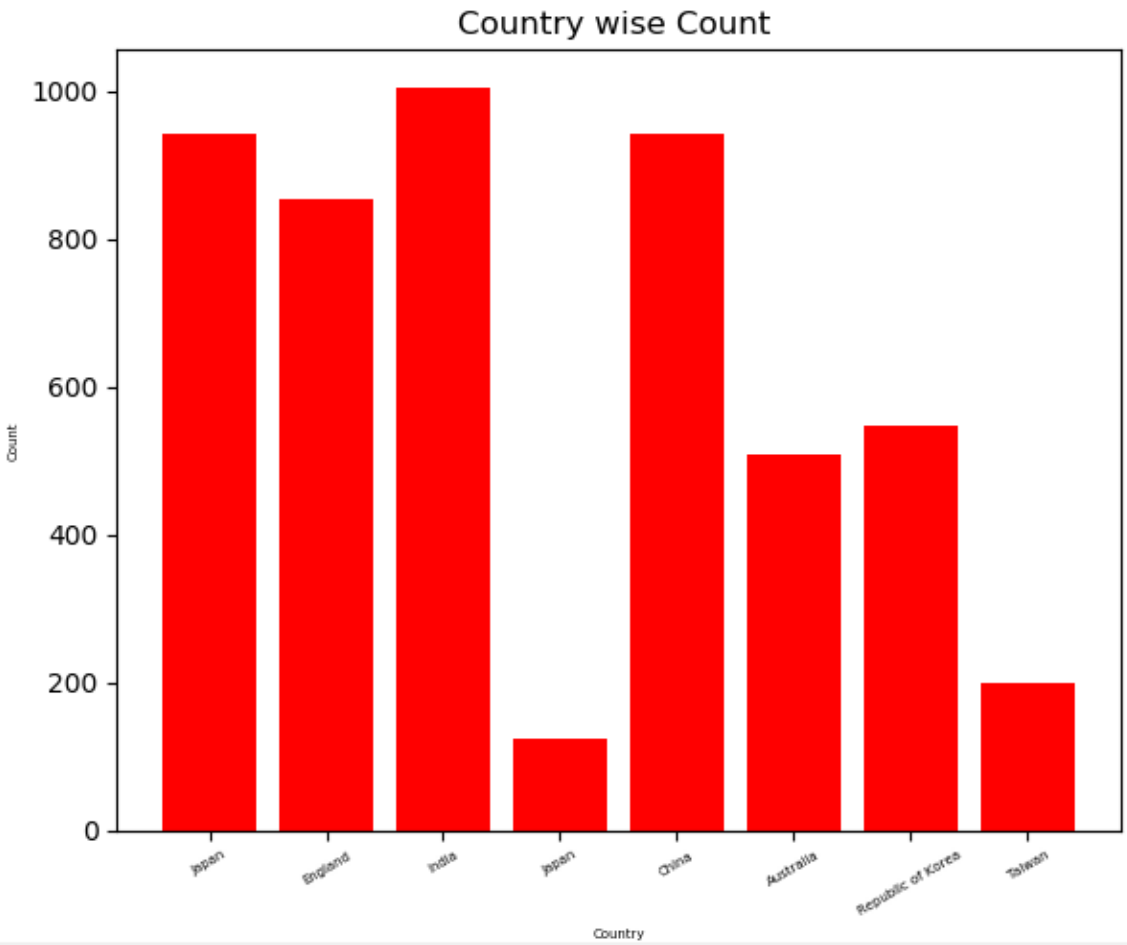
Flow Chart

Step 1- Download the available datasets.

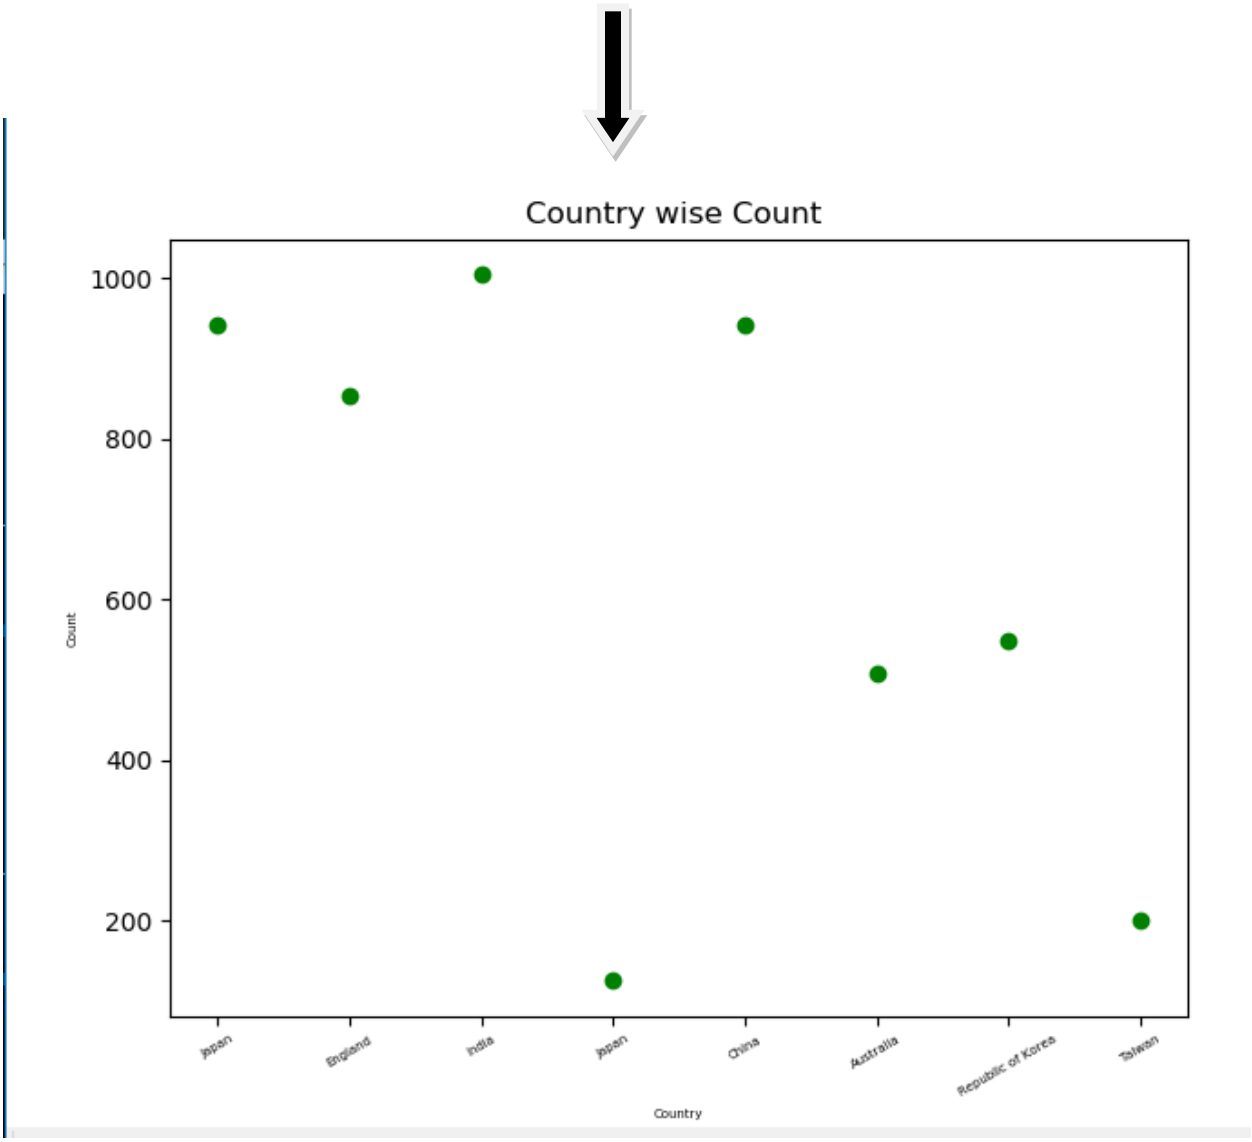
Step2: Analyze the dataset.

Country	Count
Japan	941
England	854
India	1005
China	125
Australia	942
Republic c	509
Taiwan	548
Bahrain	200
US	1300

Step 3: Plot Bar Graph



Step-4 Plot Scatter Graph.



We have analyzed the datasets in various different ways. Another method that we implemented was to plot time series of various IPs implemented in any XYZ company where we plotted the intervals of time during which the below mentioned IPs were logged in.
